1. Log into SIS.
2. Select the Course Enrollment tab and click “Yale College Change Course from Letter Grade to Credit/D/Fail.”
3. Change the drop-down selection from “YC – Letter Grade” to “Credit/D/Fail.”

First-Year Counselor Application Open

The first-year counselor application for the 2022-2023 year is available online. All juniors are eligible to apply through January 31st at 11:59 p.m.

This year we will be able to allow seniors who will complete their course of study in Fall 2023, as well as those who will graduate in Spring 2023, to serve as FroCos. Counselors are expected to be responsible students who can draw upon their own experiences and the training they receive to respond appropriately to the wide range of questions and issues that first-year college students encounter. Prospective applicants should therefore be able to demonstrate maturity, a commitment to serving others, strong interpersonal skills, and a solid academic record.
If You Hope to Enroll in Two Overlapping Courses
To enroll in two overlapping courses, you must petition the Committee on Honors and Academic Standing through my office. The rules governing overlaps depend on the type of courses that overlap: namely, whether they are “asynchronous” or “synchronous.” Please see below for details. But regardless of the type of course, it is always the case that:

*petitions to my office are due by the end of Add/Drop period;
*no more than two courses may overlap;
*the express permission of both instructors is necessary, but not itself sufficient, for approval; and
*the two final exam times, as given in Yale Course Search, may not overlap.

Synchronous/Asynchronous Overlaps
Every course must have an in-person synchronous component, such as a lecture, section, or lab. An asynchronous course (as below) refers to a course approved to have a period that does not require in-person meeting at the same time; a synchronous course refers to a fully synchronous course.

(a) Two synchronous courses may have a small and insignificant overlap in meeting times (i.e., no more than 15 minutes once per week, including travel times), with permission from the instructors of both courses, via petition to the residential college dean, so long as the final exams do not overlap.

(b) One asynchronous course may overlap with one synchronous course, including for the full class meeting time, with the permission of both instructors, via petition to the residential college dean, so long as the final exams do not overlap.

(c) Two asynchronous courses may overlap with each other, including for the full class meeting time, with the permission of both instructors, via petition to the residential college dean, so long as the final exams do not overlap.

Questions? Think you may have extenuating circumstances? As always, I’m happy to help: if you’d like to consult with me, just schedule a meeting or send me an email query.

Yale Degree Audit

Yale Degree Audit (YDA) is a tool that tracks your progress toward the bachelor’s degree. YDA is located on the Academics tab of Student Information System (SIS). YDA displays the Yale College degree requirements that you have already completed and those that are still pending. A “Look Ahead” feature shows you how future course enrollment might apply toward your degree. Yale Degree Audit does not take the place of face-to-face advising, although you may wish to share your audit with your adviser. Instead, it provides an easy-to-read summary of requirements, allowing you and your adviser to spend more time discussing course selection and academic goals.

Do not rely solely on your degree audit when planning your courses; continue to use Yale’s standard systems for schedule planning and employ YDA as an additional tool. More features will be added to YDA in the future, including the ability to track progress toward major requirements.

If you have suggestions, general observations, or questions that are not answered by the FAQs, send them to registrar@yale.edu using the subject line “Degree Audit.” If you believe that academic information in your degree audit is incorrect, contact our office.
