Dear Franklinites,

As the semester draws to an end (hopefully with neither a bang nor a whimper), I’m sending you lots of light for your last week of classes and pre-finals tasks.

Look for a separate note from the Dean’s Office shortly about all things end-of term.

The college will open its doors to you frequently during the haul, offering respite and carbs and good cheer. And a spin class with me! The office is open and happy for your visits. Come for drop-ins or make an appointment time. We’re all pulling for you.

Finally, remember the Holiday Dinner is this Friday night after classes end. First-years will go to Yale-on-York for the amazing all-class dinner. Ask your FroCos about it. Everyone else enjoys a holiday dinner here in BF from 5-7.

Rain Changing to Snow
He came home from middle school
with a wet kitten tucked inside
his black leather jacket.
He’d found it shivering in the tall grass
flattened by rain.
It could only belong to him
for fifteen minutes
and it understood that, I think.
Though just a few weeks old,
already it expected disappointment.
Yet it began to purr,
this scrap of cloud-gray fur,
as he drew it forth to show me.
Castaway (its name
he said), so lonely and hungry
after the shipwreck of
another day at school.

Yale Degree Audit

Yale Degree Audit (YDA) is a tool that tracks your progress toward the bachelor’s degree. YDA is located on the Academics tab of Student Information System (SIS). YDA displays the Yale College degree requirements that you have already completed and those that are still pending. A “Look Ahead” feature shows you how future course enrollment might apply toward your degree. Yale Degree Audit does not take the place of face-to-face advising, although you may wish to share your audit with your adviser. Instead, it provides an easy-to-read summary of requirements, allowing you and your adviser to spend more time discussing course selection and academic goals.

Do not rely solely on your degree audit when planning your courses; continue to use Yale’s standard systems for schedule planning and employ YDA as an additional tool. More features will be added to YDA in the future, including the ability to track progress toward major requirements.

If you have suggestions, general observations, or questions that are not answered by the FAQs, send them to registrar@yale.edu using the subject line “Degree Audit.” If you believe that academic information in your degree audit is incorrect, contact our office.
