Dear Franklinites,

As some of you know, one of my favorite spaces in our college is the Fitness Center. It’s the nicest gym in the residential college constellation, generously appointed, spacious, something for everyone. You can get your sweat on, be social, zone out to music and interval counting, pursue confidence and humility at the same time. Something for everyone.

So, it’s dismaying to find it tossed and trashed on the regular. It begs the question: Is it just YOUR space and not OURS? For example, have you considered that if you block the entrance with a plated weight, you make it extremely difficult for your differently abled peers to come in? If you leave dumbbells strewn along the floor you might cause someone just recovered from an injury to fall and begin a long cycle of healing anew. When you leave crumpled paper towels on the floor you may as well attach a sticky note to our hard working facilities staff saying, “Why should I throw away my trash when you can do it for me?” I’m naming facts. Entitled behavior is unattractive, and rude. Currently we keep the Fitness center open 24 hours a day. We don’t have to. Please do better.

Dean Hill
Great Humanity

Great humanity sails on ships as deck passengers
Rides trains third-class
Travels highways on foot
Great humanity goes to work at the age of eight
Marries at twenty
Dies at forty:
Great humanity.

There is enough bread for everyone except great humanity
Rice too
Same with sugar
And cloth
Books as well
There is enough of them for all except great humanity.

There is no shadow on the ground of great humanity
No lamps in its streets
No pane in its windows
But great humanity has its hopes
There can be no life without hope.

Change of College Affiliation

The Yale College Dean’s Office is accepting change of college affiliation applications from January 30th – February 13th.

As in previous years, this process is being handled centrally, therefore while your Dean, Head of College, or FROCO may be able to answer some general questions and offer guidance on whether a change is right for you.

However, this is not a process where students should feel compelled to make appeals to their current residential college staff, or that of the college to which they are applying to transfer.

Students may request a change of college affiliation by completing the following form:

https://yalesurvey.ca1.qualtrics.com/jfe/form/SV_eVbhtsnCZwcWFi6

Please keep the following in mind if you are considering a change of college affiliation transfer:

Transfer requests are not guaranteed, and you are strongly encouraged to have a housing option within your own college should your transfer be declined.

- Approved transfers are effective beginning the 23-24 academic year. Students do not relocate to their new residential college until the fall.

- Transfer applicants DO NOT need to contact their prospective college to meet with either the Dean or Head of College until after their transfer has been accepted.

- Transfer applicants need a current student in the prospective residential college sponsor your transfer. Please note that any single student may sponsor no more than two candidates to transfer into their college in an academic year.

- If your transfer is approved it is a binding decision, so please consider your request carefully before submitting your application.

- If your transfer is approved and you later change your mind about the housing arrangement you had committed to on your form, your transfer may be revoked. You may also be subject to the policies and penalties of the applicable residential college housing rules.

- Students will be notified of the transfer decisions by the end of February.

- The deadline is Monday, February 13, 2023 and you can access the application via this form.

Yale UNIVERSITY LIBRARY
Yale Degree Audit is a web-based tool that calculates and displays how an individual student’s courses may count toward the requirements for the bachelor’s degree. The degree audit enables students to monitor their own progress toward the completion of degree requirements. It also helps students, and their advisers discuss course selection for current and future terms more meaningfully by clarifying what requirements the student still needs to complete. Currently, major requirements are not included in the audit. YDA is located on the Academics tab of Student Information System (SIS).

Unlike a transcript, your degree audit is an unofficial document provided for your information and convenience. The audit serves as a tool to provide you with helpful and timely information when you are planning your course schedule, discussing your schedule with your adviser, and reviewing your progress toward completing the requirements for the bachelor’s degree. Your degree audit is not an official academic transcript. Currently, major requirements are not included in the audit.

Yale Degree Audit will help you:

- Determine what requirements you need to fulfill in order to complete your bachelor’s degree
- View a list of all courses in which you have enrolled and the distributional designations each course carries
- View individual course grades and cumulative grade-point average (GPA)
- View transfer credits, waivers, and exemptions for which you have been approved
