2020–21 Woodbridge Fellowships – Applications Open! (Close February 14.)

Yale College seniors are invited to apply for 2020–21 Woodbridge Fellowships. Application is through Yale Connect, <https://orgsync.com/172098/chapter>.

The Woodbridge Fellowship is a full-time paid position in the offices of university leader, offering an introduction to the work and administration of Yale. It provides valuable professional experience, particularly for students belonging to minority communities currently underrepresented in university administration.

Applications close on February 14, 2020 at 5 p.m. Current Woodbridge Fellows will host an information session on February 7 from 12-1:30 in SSS 410.

Participating offices are: Chaplain’s Office, Office of International Affairs (Africa), Office of International Affairs (Communications and Research), Office of Public Affairs and Communications, Office of the Secretary and Vice President for University, Schwarzman Center, and Office of Sustainability.

If you have questions about the fellowship or application process, please email Andrew Forsyth, andrew.forsyth@yale.edu, coordinator of the fellowship, or Valentina Guerrero, valentina.guerrero@yale.edu, current Woodbridge Fellow.

Yale Degree Audit

Yale Degree Audit (YDA) is a tool that tracks your progress toward the bachelor’s degree. YDA is located on the Academics tab of Student Information System (SIS). YDA displays the Yale College degree requirements that you have already completed and those that are still pending. A “Look Ahead” feature shows you how future course enrollment might apply toward your degree. Yale Degree Audit does not take the place of face-to-face advising, although you may wish to share your audit with your adviser. Instead, it provides an easy-to-read summary of requirements, allowing you and your adviser to spend more time discussing course selection and academic goals.

Do not rely solely on your degree audit when planning your courses; continue to use Yale’s standard systems for schedule planning and employ YDA as an additional tool. More features will be added to YDA in the future, including the ability to track progress toward major requirements.

If you have suggestions, general observations, or questions that are not answered by the FAQs, send them to registrar@yale.edu using the subject line “Degree Audit.” If you believe that academic information in your degree audit is incorrect, contact our office.

Interested in becoming a CCE? The Communication and Consent Educators are a diverse, creative group of undergraduates drawn from across campus to foster a more positive social and sexual climate. Through workshops, programs, and conversations, they collaborate within their own communities to build a culture of respect and support. They also serve as a resource for students who have experienced or heard about sexual misconduct, providing a peer avenue to SHARE, the UWC, Title IX, and the Yale Police. The CCEs are paid employees of the YCDO, working 5-10 hours per week, with longer hours during training periods in August and January. There's no need for prior experience in sexual violence prevention. The prime qualification for being a CCE is the desire to make Yale a better place! For more information and to apply, please visit yale.edu/cce.

March 1st to Apply for Center for Language Study's DILS and Fields Programs

The Yale Center for Language Study is now accepting applications for fall semester study for its Fields Program and its Directed Independent Language Study (DILS) Program. The deadline for applying to either program for fall semester study is March 1st at 1:00pm.

The Directed Independent Language Study (DILS) Program gives students the opportunity to study a language that is not currently taught in a Yale classroom.

The Fields Program gives students the opportunity to pursue advanced-level language study within the context of their academic area of focus (generally in areas other literature if the language is taught at Yale, since advanced coursework in literature would likely be available).

Both are non-credit programs, open to all registered Yale students (undergraduate, graduate and professional). In each program, students work with a Language Partner—a native speaker of the target language (not a formal instructor)—in two 1-hour sessions for 12 weeks. The sessions aim to develop linguistic and cultural competence through active conversation and practice of what you are studying independently. With a limited number of slots available, a selection committee reviews all applications for their merit and appropriateness, and notifies students of its decisions within four to six weeks after the application deadline. Details on each program and how to apply can be found at these links:

Directed Independent Language Study (DILS):

<https://cls.yale.edu/dils>

Fields Program:

<https://cls.yale.edu/fields>

Please note that all applications must be received by the application deadline (this includes applications for continued study from current DILS or Fields students).

CIPE

THE ONGOING CORONAVIRUS SITUATION:

All units at CIPE are closely monitoring the ongoing coronavirus situation and we are hopeful the situation will improve significantly before the summer. However, we understand that many of you may have questions about your summer plans. Please read the following notes carefully:

1. We strongly encourage students to **continue with plans for summer abroad**. This includes fellowship and internship applications, language and other study.
2. **Prepare a back-up plan**. It's always a good idea to have a fully-developed Plan B, in a different country abroad or in the U.S. As you consider your backup plans, [Yale Summer Session](#) offers Yale credit in 5 weeks, online or in New Haven, and financial assistance is available.
3. **Monitor the Travel Policy** <https://cipe.yale.edu/travel-resources/travel-policy> and check on the status of your destination country.

YALE SUMMER SESSION

Summer will be here before you know it. Explore your [summer course options](#) on campus and online. And **yes**, financial assistance is available!

Summer Financial Assistance for Yale College Students

Yale Summer Session offers financial assistance for tuition to Yale College students who receive financial aid during the regular academic year. Financial assistance covers 50% of the tuition of one course, and you may receive financial assistance for a maximum of two credits each summer (a maximum award of \$4,350 for summer 2020). Students typically use this financial assistance for New Haven courses or for Yale Summer Online courses. However, students may also use this financial assistance for a Yale Summer Session Program abroad if they have already used their International Summer Award (ISA) in a previous summer.

Yale College students on financial aid during the academic year will automatically receive this assistance by answering the relevant question on the application. No separate application is required.

Students on financial aid during the academic year may also be eligible for Summer Pell Grants and for low interest loans to cover the remaining cost of YSS courses. You'll find more information at [Yale Financial Aid](#).
