Dear Franklinites,

The cycle is rolling, even if winter air is heavy and slow right now. This week we’re talking with FroCo applicants who have bravely stepped up with interest in guiding and mentoring next year’s influx of first-years. We’re a quiet college now in our reduced numbers, but next year we’ll be big and full and boisterous which scares delights me!

Should you still be on the fence about your enrollment this term, please remember today is the deadline to request a Leave of Absence, by 5:00pm Yale time. Info and links in the Notes.

Bundle up, and remember it’s a good day to have a good day. You still have time.

-Dean Hill

Sonnet 65
Since brass, nor stone, nor earth, nor boundless sea
But sad mortality o’er-sways their power,
How with this rage shall beauty hold a plea,
Whose action is no stronger than a flower?
O, how shall summer’s honey breath hold out
Against the wrackful siege of batt’ring days,
When rocks impregnable are not so stout,
Nor gates of steel so strong, but time decays?
O fearful meditation! where, alack,
Shall time’s best jewel from time’s chest lie hid?
Or what strong hand can hold his swift foot back?
Or who his spoil of beauty can forbid?
O, none, unless this miracle have might,
That in black ink my love may still shine bright.
-William Shakespeare

Deadline: March 1st to Apply for Center for Language Study’s DILS and Fields Programs

The Yale Center for Language Study is now accepting applications for fall semester study for its Fields Program and its Directed Independent Language Study (DILS) Program. The deadline for applying to either program for fall semester study is March 1st at 1:00pm.

The Directed Independent Language Study (DILS) Program gives students the opportunity to study a language that is not currently taught in a Yale classroom.

The Fields Program gives students the opportunity to pursue advanced-level language study within the context of their academic area of focus (generally in areas other literature if the language is taught at Yale, since advanced coursework in literature would likely be available).

Both are non-credit programs, open to all registered Yale students (undergraduate, graduate and professional). In each program, students work with a Language Partner—a native speaker of the target language (not a formal instructor)—in two 1-hour sessions for 12 weeks. The sessions aim to develop linguistic and cultural competence through active conversation and practice of what you are studying independently. With a limited number of slots available, a selection committee reviews all applications for their merit and appropriateness, and notifies students of its decisions within four to six weeks after the application deadline.

Details on each program and how to apply can be found at these links:

Directed Independent Language Study (DILS):

Fields Program:

Please note that all applications must be received by the application deadline (this includes applications for continued study from current DILS or Fields students).
Yale Degree Audit

Yale Degree Audit (YDA) is a tool that tracks your progress toward the bachelor’s degree. YDA is located on the Academics tab of Student Information System (SIS). YDA displays the Yale College degree requirements that you have already completed and those that are still pending. A “Look Ahead” feature shows you how future course enrollment might apply toward your degree. Yale Degree Audit does not take the place of face-to-face advising, although you may wish to share your audit with your adviser. Instead, it provides an easy-to-read summary of requirements, allowing you and your adviser to spend more time discussing course selection and academic goals.

Do not rely solely on your degree audit when planning your courses; continue to use Yale’s standard systems for schedule planning and employ YDA as an additional tool. More features will be added to YDA in the future, including the ability to track progress toward major requirements.

If you have suggestions, general observations, or questions that are not answered by the FAQs, send them to registrar@yale.edu using the subject line “Degree Audit.” If you believe that academic information in your degree audit is incorrect, contact our office.
