

Dear Franklinites,

Be sure to turn your face to the sky today, because it's the only sun we may see this week! I've already forgotten the highlight reel from the Game itself, but can we take a moment to recognize J. Lo and Shakira and *98 million viewers* taking in a celebration of Latinx music, culture, athleticism, pride and solidarity? And they're middle aged, y'all! Never mind that the song lengths and micro dances were condensed to TikTok length (my girls had no problem but I'm like two beats behind on a time delay in my head). It was pretty great. Full stop.

Work hard, and you get an extra day this month to make up for it if you falter!

Oh, and Transfer deadline is this Friday, Feb. 7. The form is online. If you have no idea what I'm talking about, keep moving. Nothing to see.

-Dean Hill

I've been keeping a diary for thirty-three years and write in it every morning. Most of it's just whining, but every so often there'll be something I can use later: a joke, a description, a quote. It's an invaluable aid when it comes to winning arguments. "That's not what you said on February 3, 1996," I'll say to someone.

-David Sedaris

Winter Love

*I would like to decorate this silence,
but my house grows only cleaner
and more plain. The glass chimes I hung
over the register ring a little
when the heat goes on.*

*I waited too long to drink my tea.
It was not hot. It was only warm.*

-Linda Gregg

Yale Degree Audit

Yale Degree Audit (YDA) is a tool that tracks your progress toward the bachelor’s degree. YDA is located on the Academics tab of Student Information System (SIS). YDA displays the Yale College degree requirements that you have already completed and those that are still pending. A “Look Ahead” feature shows you how future course enrollment might apply toward your degree. Yale Degree Audit does not take the place of face-to-face advising, although you may wish to share your audit with your adviser. Instead, it provides an easy-to-read summary of requirements, allowing you and your adviser to spend more time discussing course selection and academic goals.

Do not rely solely on your degree audit when planning your courses; continue to use Yale’s standard systems for schedule planning and employ YDA as an additional tool. More features will be added to YDA in the future, including the ability to track progress toward major requirements.

If you have suggestions, general observations, or questions that are not answered by the FAQs, send them to registrar@yale.edu using the subject line “Degree Audit.” If you believe that academic information in your degree audit is incorrect, contact our office.

Transfer College Affiliation 2020-2021

To request a transfer from your assigned residential college to another college, you must submit an application that can be accessed via this link.

https://yalesurvey.ca1.qualtrics.com/jfe/form/SV_8ddhiM2D7XkoYTP

Here are a few things you should know before requesting a transfer of residential college:

- 1) **Transfer requests are not guaranteed, and you are strongly encouraged to have a housing option within your own college should your transfer be declined.**

- 2) In order to transfer to another residential college, you will need to have a current student in that residential college sponsor your transfer and agree to live with you for the next academic year. Please note that **any single student may sponsor no more than two candidates to transfer into their college** in an academic year.

- 3) If your transfer is approved it is a binding decision, so please consider your request carefully before submitting your application.

- 4) **If your transfer is approved and you later change your mind about the housing arrangement you had committed to on your form, your transfer may be revoked.** You may also be subject to the policies and penalties of the applicable residential college housing rules.

- 5) Each residential college will decide whether or not they wish to interview potential transfer candidates, and if they do interview them, how and when they might do so. It is your responsibility to check with the staff of the residential college you wish to transfer to.

- 6) As a reminder, students who wish to apply for a housing accommodation should submit accommodation requests along with supporting documentation (please refer students to SAS [Documentation Guidelines](#)) to Student Accessibility Services by March 1st. Time is of the essence as requests need to be reviewed by the Accommodations Committee. SAS will notify Deans as requests are received and as decisions are determined.

- 7) Only completed applications may be submitted and **the deadline is Friday, February 7, 2020, at 11:59 pm EST.** Students will be notified of the transfer decisions by the end of February.
