Dear Franklineses,

Happy New Year, and welcome back to Yale!

As you organize and re-organize your course schedule in anticipation of classes starting tomorrow, a few thoughts:

- Focus on assembling a collection of classes that brings you creative grist. You didn’t come to Yale only to check boxes. So, make sure you are enrolling in some classes that give you great energy. This has the added benefit of making you much nicer to be around!

- Questions about overlaps and overloads, how to take a class at SOM, and what’s due when? All deadlines and instructions are in this newsletter, which always goes on our website, too.

- Come by the Dean’s Office for Dean’s Drop-ins this Tuesday between 12:00-2:00. You can also set up a longer convo with me this week or going forward into the term!

_Snow flakes._ (Because I’m ever hopeful!)

_I counted till they danced so_

_Their slippers leaped the town –_

_And then I took a pencil_

_To note the rebels down –_

_And then they grew so jolly_

_I did resign the prig –_

_And ten of my once stately toes_

_Are marshalled for a jig!_

_-Emily Dickinson_

Add/Drop Period is Open

Add/drop period has begun and your registration worksheet is now open in Yale Course Search (YCS) for you to make adjustments to your spring schedule. Registration worksheets will remain open for adjustments until the end of add/drop period at 5:00 p.m. (ET), Monday, January 23.

Reminders

- Automated waitlisting ends at 5:00 p.m. (ET), Friday, January 13. After this time, you will not be able to add yourself to an automated waitlist in YCS, but you may enroll in the course if a seat becomes available during the add/drop period. There will be no email notifications of vacant seats.
- You are enrolled in a course if there is a black checkmark next to it on your registration worksheet.
- Enrollment in professional school courses requires the additional submission of a Request to Enroll in Professional School Course form. If the request is approved, the University Registrar’s Office will apply the appropriate course credit to your schedule.
- You should only place courses on your registration worksheet with the intent to enroll.
- You must enroll in at least three course credits and no more than five-and-a-half course credits per academic regulations.
- Some new courses were added to Yale Course Search after registration closed. Use this link to view these additional courses.

Resources

- Additional course enrollment information and instructions can be found on the University Registrar’s Office registration website. See also at the website, links to Registrar’s Office Hours for add/drop related questions.
- Yale Hub has information and resources to assist you during your time at Yale.

*****Please note – A student’s class year is the year in which their degree(s) is expected to be conferred. While some students may finish their degree(s) at the end of a fall term, their degree(s) is conferred the following May. For example, a student came in as class of 2024 and took a leave for one semester, so they will be finishing their degree in December of 2024 instead of May 2024. Their class year is now 2025 because their degree will be conferred in May 2025.
Online Petition to Take Two Overlapping Courses

To enroll in two overlapping courses, students must petition the Committee on Honors and Academic Standing. The rules governing overlaps depend on the type of courses that overlap: that is, whether they are "asynchronous" or "synchronous". Please see below for details. Regardless of the type of course, it is always the case that:

- petitions are due by the end of Add/Drop period (see the [Yale College Calendar with Petinent Deadlines](#));
- no more than two courses may overlap;
- the express permission of both instructors, confirming your plan, is necessary; and
- the two final exam times, as given in Yale Course Search, may **not** overlap.

**To petition, here's what you need to do:**

1. Confirm that the final exams for the two courses are not offered at the same time.
2. Explain how enrollment in the two courses is possible, despite the conflict in published meeting times (refer to the information above for your explanation). Be sure to refer to asynchronous and synchronous courses, where necessary.
3. Secure both the instructors’ explicit (email) permission to take the two overlapping courses. In those emails, instructors must explicitly confirm that they are teaching the course asynchronously.

Here’s the link: [https://forms.sis.yale.edu/url/YCPetitionOverlap#overlay-context=](https://forms.sis.yale.edu/url/YCPetitionOverlap#overlay-context=)

Petition for Course Overload

A student seeking to take a program of study of over 5.5 course credits must obtain the permission of the residential college dean. It is assumed that any student who requests permission to carry more than 5.5 course credits does not intend to drop any of them. Requests for permission to carry an overload are evaluated based on the student’s demonstrated ability to carry a demanding load successfully and on the student’s academic grounds for an overload. **Students who fail to complete an overload when permission has been granted should not expect to secure such permission in the future.** Here’s the link to [Petition for Credit Overload (Yale College)](#)
**Resident Writing Tutor**

The Benjamin Franklin Writing Tutor is Lesley Finn. Her office is in Room 24, LL near Stairwell/Entry A. Hours are Mondays 11 a.m. – 1 p.m. and 2 p.m. – 4 p.m., and Thursdays 11 a.m. – 1 p.m. and 2 p.m. – 4 p.m. (BF students only)

To sign up for an appointment go to [www.yalewco.com](http://www.yalewco.com) or email lesley.finn@yale.edu.

**First-Year Counselor Application Open**

The first-year counselor application for the 2023-2024 year is available [online](http://yale.edu). All juniors are eligible to apply through January 31st at 11:59 p.m. This year we will be able to allow seniors who will complete their course of study in Fall 2024, as well as those who will graduate in Spring 2023, to serve as FroCos. Counselors are expected to be responsible students who can draw upon their own experiences and the training they receive to respond appropriately to the wide range of questions and issues that first-year college students encounter. Prospective applicants should therefore be able to demonstrate maturity, a commitment to serving others, strong interpersonal skills, and a solid academic record.

UPCOMING EVENTS

SIT Study Abroad: In-Person Info Session
Feb. 8, 2023, 4:00 PM - 5:00 PM
55 Whitney Ave, Room 305
Join Melissa Phineus, University Relations Manager & DEI Outreach Specialist for SIT Study Abroad, for an in-person session that highlights the many SIT Study Abroad programs available to you. To learn more about Yale’s study abroad application process, policies, credit transfer, and funding, please visit https://studyabroad.yale.edu/

RESOURCES
Thinking about studying abroad? Start learning about how to study abroad on the “Get Started” tab. Search programs that fit your personal and academic interests, learn about fulfilling requirements with outside credit, and see how credit works by clicking “academics and credit” for either “Year or Term” or “Non-Yale Summer.”

Meet with a Study Abroad Adviser to explore goals, programs, credit transfer, and more.
Yale Degree Audit is a web-based tool that calculates and displays how an individual student’s courses may count toward the requirements for the bachelor’s degree. The degree audit enables students to monitor their own progress toward the completion of degree requirements. It also helps students, and their advisers discuss course selection for current and future terms more meaningfully by clarifying what requirements the student still needs to complete. Currently, major requirements are not included in the audit. YDA is located on the Academics tab of Student Information System (SIS).

Unlike a transcript, your degree audit is an unofficial document provided for your information and convenience. The audit serves as a tool to provide you with helpful and timely information when you are planning your course schedule, discussing your schedule with your adviser, and reviewing your progress toward completing the requirements for the bachelor’s degree. Your degree audit is **not** an official academic transcript. Currently, major requirements are not included in the audit.

Yale Degree Audit will help you:

- Determine what requirements you need to fulfill in order to complete your bachelor’s degree
- View a list of all courses in which you have enrolled and the distributional designations each course carries
- View individual course grades and cumulative grade-point average (GPA)
- View transfer credits, waivers, and exemptions for which you have been approved
Yale University President’s Public Service Fellowship

The Yale University President’s Public Service Fellowship seeks outstanding Yale undergraduate, graduate and professional students not in their final year of study to work on projects with New Haven nonprofits and local city government.

- Fellowship awards range from $6,750 to $9,600 based on experience, degree pending and hours worked.
- Fellowship placements range from 8-11 weeks from the end of May through August.
- All students may apply for projects proposed by local non-profit and public sector organizations that are posted on the PPSF website.

For more information and application materials, visit the PPSF website.

Application Deadline: Friday, January 20, 2023 at 5pm ET
