Dear Franklinites

Happy new decade, and new day!

I was pleased to hear hooting and hollering down the hallway last night (but, you know, let’s not get carried away) as you all re-found each other and took up residence again in your second home. If that home is off campus, I hope you kept your plants watered and the shower is still running hot.

Keep an eye out for an email on a new Reading Group I’m starting in the college – low commitment but high yield.

Shop bravely. Forge a new connection today.

Welcome back,
Dean Hill

I like my music with the rinds and the seeds and pulp left in.

First-year counselor applications for the 2020-2021 year is now open. We will be accepting applications through January 31st at 11:59 p.m. EST. You can read more about the program and apply HERE.

Applicants must be seniors in good academic standing during both terms of the academic year 2020-2021, and plan to graduate in the spring of 2021. Counselors are expected to be responsible students who can draw upon their own experiences and the training they receive to respond appropriately to the wide range of questions and issues that first-year college students encounter. Prospective applicants should therefore be able to demonstrate maturity, a commitment to serving others, strong interpersonal skills, and a solid academic record.
**Academic Information**

Academic Information Course Schedule Deadlines:
Class of 2023 Wednesday, January 22, 5:00 pm
Class of 2022 Thursday, January 23, 5:00 pm
Class of 2021 Thursday, January 23, 5:00 pm
Class of 2020 Friday, January 24, 5:00 pm

Schedules are handed in to Michelle in the BF Dean’s Office.

The deadline is strictly enforced. A late schedule incurs a fine of $50. (Clerical error on schedule is $50)

A schedule of 3.0 course credits or a schedule of 6.0 or 6.5 course credits needs Dean Hill’s permission **before the schedule is handed in.**

Overlapping Class Meeting Times: Requires a conversation with Dean Hill before the Course Enrollment deadline, compelling academic reasons for the overlap, and with Dean Hill’s assistance, a petition to the Committee on Honors and Academic Standing.

A schedule with a course in a professional school requires a fillable PDF version of the blue form. Email completed form with the syllabus attached by the deadline to michelle.tracey@yale.edu. [Note: SOM courses cannot be added to your schedule through OCS; they must be written by hand in the “include” section on your schedule. Only four professional school credits can be offered toward the 36 credit requirement; however, students may enroll in more than four credits understanding that all courses will remain on the academic record and be included in the GPA even if not offered toward the 36 credit requirement.

Courses at the Graduate School of Arts and Sciences and at a professional school cannot elect the CR/D/Fail option. Credit for these courses on your transcript: When you put a Professional School course on your schedule, zero (0) course credits are recorded for the course until you hand in to my office the form for the courses (syllabus attached) and the Registrar’s Office determines the course credits for that course after that. Some courses earn 1 course credit in Yale College and some earn 0.5 course credits (most commonly in SOM and EPH). Some do not earn credit.

Independent Studies (Directed Reading, Directed Research, etc. as listed by most departments). There are limits on the number that a student can enroll in during a given year and over four years. Enrolling in an independent study requires the additional permission of a Director of Undergraduate Studies.

Yale Degree Audit
Yale Degree Audit (YDA) is a tool that tracks your progress toward the bachelor’s degree. YDA is located on the Academics tab of Student Information System (SIS). YDA displays the Yale College degree requirements that you have already completed and those that are still pending. A “Look Ahead” feature shows you how future course enrollment might apply toward your degree. Yale Degree Audit does not take the place of face-to-face advising, although you may wish to share your audit with your adviser. Instead, it provides an easy-to-read summary of requirements, allowing you and your adviser to spend more time discussing course selection and academic goals.

Do not rely solely on your degree audit when planning your courses; continue to use Yale’s standard systems for schedule planning and employ YDA as an additional tool. More features will be added to YDA in the future, including the ability to track progress toward major requirements.

If you have suggestions, general observations, or questions that are not answered by the FAQs, send them to registrar@yale.edu using the subject line “Degree Audit.” If you believe that academic information in your degree audit is incorrect, contact our office.

New 1.5-credit WR Course: "Global Shakespeares"

LITR 339 (1 credit): Global Shakespeares: Race, Gender and the Idea of the “Human”

LITR 340 (1.5 credits): (Intensive Writing) Global Shakespeares

Shakespeare today is a global phenomenon: over five hundred years after his death, the playwright’s legacy continues to flourish with new performances, reworkings, appropriations, and adaptations continuously produced across the world in a range of languages and across various media. Once exported along with the ideologies and practices of empire, Shakespeare’s works have now become an index for the complex histories of colonialism and postcolonialism as well as a crucial site for studying processes of racialization, constructions of gender across time, and debates over the universalizing idea of “the human.” How did Shakespeare become global? Was the cultural imagination of his plays always already global, written at a time with the very notion of the modern world as we know was being shaped? Have modern adaptations of Shakespeare’s plays made them global and able to cross cultures—or are these versions merely responding to early modern debates about globalization, identity and cultural politics that were already embedded in the drama? This course explores the political afterlives of “Shakespeare” as a cultural icon and aesthetic touchstone for the Western tradition through a close reading of four plays alongside their adaptations: Hamlet, Othello, King Lear and Antony and Cleopatra. We will look at films, novels, manga comics, memoirs, stand-up comic routines, along with classic stagings of the plays to elucidate the themes that have made Shakespeare global—in particular, questions of race, gender, sexuality, generational conflict, and political intrigue. Along the way, we will consider the challenges of decolonizing the canon and the particular place Shakespeare occupies as an index of cultural value. Authors and directors include Akiro Kurosawa, Vishal Bharadwaj, Janet Suzman, Iqbal Khan, James Baldwin, Sulayman Al-Bassam, Tayeb Salih, Preti Taneja, and Derek Walcott.

Action Recommended: Install or Upgrade PaperCut To Print Quickly On Campus

NOTE: If you already have PaperCut installed, you will need to upgrade to the most recent version; support for legacy versions will be discontinued. Follow the instructions below to upgrade.

PaperCut software allows you to print directly from your computer to Yale printers the same way you’d print to a personal printer (via File > Print, for example). With PaperCut installed, you do not have to use WebPrint to print on campus, you will not be subject to WebPrint’s wait times and queues, and you will have more functionality available to change the settings of your print job. Printing cost with PaperCut is the same as the cost with WebPrint. Using PaperCut instead of WebPrint is highly advised during busy printing times like shopping period.

To install or upgrade PaperCut:

- Visit the Student Printing site at [ypps.yale.edu/studentprint](http://ypps.yale.edu/studentprint) and choose "PaperCut for Windows on your Computer" or "PaperCut for Mac on your Computer".
- Download the installer and follow the instructions to install the software (if you need to upgrade an old version of PaperCut, follow the same install steps; this will uninstall the old version and install the correct one).
- Once installed, you can print any document or web page by selecting File > Print, then choosing BluePrint_BW (black and white) or BluePrint_Color (color) from the printer list. You can then release your print job at any BluePrint printer on campus.
