

Franklinites,

All systems go! Today is a good day.

-First-years: See you at **Fireside Chats**, starting tonight!

-Juniors: If you're looking for a lot of togetherness, in the very best sense... **FroCo applications** are due Friday by 11:59 pm.

My class is exploring and watching a play this week at the Yale Rep called Manahatta, by Mary Kathryn Nagle. The play toggles back and forth between Wall Street in the 21st century as a young securities trader makes her way in the financial industry, and 400 years earlier on this same island of Manahatta when her ancestors were forcefully removed. I excerpt a poem by a member of the protagonist's tribe, the Lenape of Delaware.

I look through glass and see a young woman
of twenty, washing dishes, and the window
turns into a painting. She is myself thirty years ago.
She holds the same blue bowls and brass teapot
I still own. I see her outline against lamplight;
she knows only her side of the pane. The porch
where I stand is empty. Sunlight fades. I hear
water run in the sink as she lowers her head,
blind to the future. She does not imagine I exist.

I step forward for a better look and she dissolves
into lumber and paint. A gate I passed through
to the next life loses shape. Once more I stand
squared into the present, among maple trees
and scissor-tailed birds, in a garden, almost
a mother to that faint, distant woman.

-Two Gates by Denise Low

Yale Degree Audit

Yale Degree Audit (YDA) is a tool that tracks your progress toward the bachelor’s degree. YDA is located on the Academics tab of Student Information System (SIS). YDA displays the Yale College degree requirements that you have already completed and those that are still pending. A “Look Ahead” feature shows you how future course enrollment might apply toward your degree. Yale Degree Audit does not take the place of face-to-face advising, although you may wish to share your audit with your adviser. Instead, it provides an easy-to-read summary of requirements, allowing you and your adviser to spend more time discussing course selection and academic goals.

Do not rely solely on your degree audit when planning your courses; continue to use Yale’s standard systems for schedule planning and employ YDA as an additional tool. More features will be added to YDA in the future, including the ability to track progress toward major requirements.

If you have suggestions, general observations, or questions that are not answered by the FAQs, send them to registrar@yale.edu using the subject line “Degree Audit.” If you believe that academic information in your degree audit is incorrect, contact our office.

Transfer College Affiliation 2020-2021

To request a transfer from your assigned residential college to another college, you must submit an application that can be accessed via this link.

https://yalesurvey.ca1.qualtrics.com/jfe/form/SV_8ddhiM2D7XkoYTP

Here are a few things you should know before requesting a transfer of residential college:

- 1) **Transfer requests are not guaranteed, and you are strongly encouraged to have a housing option within your own college should your transfer be declined.**

- 2) In order to transfer to another residential college, you will need to have a current student in that residential college sponsor your transfer and agree to live with you for the next academic year. Please note that **any single student may sponsor no more than two candidates to transfer into their college** in an academic year.

- 3) If your transfer is approved it is a binding decision, so please consider your request carefully before submitting your application.

- 4) **If your transfer is approved and you later change your mind about the housing arrangement you had committed to on your form, your transfer may be revoked.** You may also be subject to the policies and penalties of the applicable residential college housing rules.

- 5) Each residential college will decide whether or not they wish to interview potential transfer candidates, and if they do interview them, how and when they might do so. It is your responsibility to check with the staff of the residential college you wish to transfer to.

- 6) As a reminder, students who wish to apply for a housing accommodation should submit accommodation requests along with supporting documentation (please refer students to SAS [Documentation Guidelines](#)) to Student Accessibility Services by March 1st. Time is of the essence as requests need to be reviewed by the Accommodations Committee. SAS will notify Deans as requests are received and as decisions are determined.

- 7) Only completed applications may be submitted and **the deadline is Friday, February 7, 2020, at 11:59 pm EST.** Students will be notified of the transfer decisions by the end of February.
