

From the Benjamin Franklin College Dean's Office

Dear Franklinites,

Welcome back to the college and the neighborhood. I hope you got a chance to stare at the ceiling or sky and just be for a while. I scooted off to the rainforest in Costa Rica for a few days, where I was served the most colorful breakfast I've seen. Looking at the picture still gives me a sensory pop.

We're officially in the back half of the term. If you haven't been in to chat recently – or ever – consider making a time to do so. I'd enjoy getting to know you better.

Dean's Drop-ins this week are Thursday from 12-2! Or you can always make an appointment.

Finally, as you move into housing season, I encourage you to consider the words of Kareem Abdul-Jabbar:

Great players are willing to give up their own personal achievement for the achievement of the group. It enhances everybody.

-Dean Hill

Marshlands

*A thin wet sky, that yellows at the rim,
And meets with sun-lost lip the marsh's brim.*

*The pools low lying, dank with moss and mould,
Glint through their mildews like large cups of gold.*

*Among the wild rice in the still lagoon,
In monotone the lizard shrills his tune.*

*The wild goose, homing, seeks a sheltering,
Where rushes grow, and oozing lichens cling.*

*Late cranes with heavy wing, and lazy flight,
Sail up the silence with the nearing night.*

*And like a spirit, swathed in some soft veil,
Steals twilight and its shadows o'er the swale.*

*Hushed lie the sedges, and the vapours creep,
Thick, grey and humid, while the marshes sleep.*

-Emily Pauline Johnson

Yale Academic Strategies Program

https://yaleconnect.yale.edu/PoorvuAcademicStrategies/club_signup

<https://poorvucenter.yale.edu/academic-strategies-program>

Our mission is to help all Yale undergraduates be active, empowered learners at Yale. Through peer academic mentoring, interactive workshops, and connections to resources, we hope to provide you with the tools that can propel you towards your goals.

Individual Mentoring

Get organized for the semester by meeting with an [Academic Strategies Mentor](#). Mentors will help you develop a weekly study routine, offer strategies for approaching complicated readings and p-sets, and help you develop a plan for prepping for those first exams. You can request a mentor by emailing us at academicstrategies@yale.edu.

STEM Navigators: Want to learn the best practices for succeeding in introductory STEM Courses? Join STEM Navigators, an Academic Strategies mentoring network that provides you with information, events, and support to guide you through these crucial first courses. Sign up via this link: [STEM Navigators sign up](#)

Disability Peer Mentor Program

A collaboration between Academic Strategies and Disability Empowerment at Yale, this program matches students with disabilities with peer mentors who have similar experiences navigating academic life at Yale for individual mentoring. Students can request a mentor via this form: [Disability Peer Mentor Request](#). First-year students can also request mentorship and guidance about Student Accessibility Resources through the [SAS Peer Liaison Program](#).

Meet with our Learning Specialist

Have a learning difference or other condition that affects how you accomplish your academic work? We can talk with you about new approaches for meeting Yale's academic challenges. Contact Academic Strategies Learning Specialist Carol Morse (carol.morse@yale.edu) for an appointment.

Senior Thesis Power Hours

Need to get that senior thesis finished? Use our dedicated Senior Thesis Power Hours to motivate your work! Power Hours continue every Monday from 7-9 PM in Poorvu 120A. [Click here to reserve your spot!](#)

Academic Strategies 1-1 Consultations for Student Athletes

Meet with Dr. Karin Gosselink for an individual consultation on Tuesdays from 12 – 1:30 pm. Check in in about coursework, exam prep, motivation, time management, and anything else related to thriving as a student-athlete at Yale. Sign up for a 30 minute slot via this Calendly link: [Student Athlete Academic Strategies consultations](#).

WORKSHOPS

Yale UNIVERSITY LIBRARY

March 1st to Apply for Center for Language Study's DILS and Fields Programs

The Yale Center for Language Study is now accepting applications for **fall** semester study for its Fields Program and its Directed Independent Language Study (DILS) Program. The deadline for applying to either program for fall semester study is **March 1st** at 1:00pm.

The Directed Independent Language Study (DILS) Program gives students the opportunity to study a language that is not currently taught in a Yale classroom.

The Fields Program gives students the opportunity to pursue advanced-level language study within the context of their academic area of focus (generally in areas other literature if the language is taught at Yale, since advanced coursework in literature would likely be available).

Both are non-credit programs, open to all registered Yale students (undergraduate, graduate and professional). In each program, students work with a Language Partner—a native speaker of the target language (not a formal instructor)—in two 1-hour sessions for 12 weeks. The sessions aim to develop linguistic and cultural competence through active conversation and practice of what you are studying independently. With a limited number of slots available, a selection committee reviews all applications for their merit and appropriateness, and notifies students of its decisions within four to six weeks after the application deadline.

Details on each program and how to apply can be found at these links:

Directed Independent Language Study (DILS):

<https://cls.yale.edu/dils>

Fields Program:

<https://cls.yale.edu/fields>

Please note that all applications must be received by the application deadline (this includes applications for continued study from current DILS or Fields students).

Yale School of Management - Silver Scholars Program

The [Silver Scholars Program](#) at the Yale School of Management allows students to earn a Yale MBA degree within three years, directly after graduation, spring-boarding them toward their career goals and leadership positions. The program is designed for exceptional students with strong leadership potential. These students enroll in our full-time MBA program where they make up about 5% of the student body. Rather than the traditional summer MBA internship, Silver Scholars complete a year-long internship, extending their experience to three years.

The admissions committee seeks applicants with a combination of intelligence, maturity, and curiosity who aim to be future leaders in their field of interest. Candidates from all majors are welcome to apply; we enjoy the diversity of interests and backgrounds that Silver Scholars bring to the broader MBA class at Yale SOM.

Yale College students receive a 50% tuition discount and an application fee waiver.

At this time only (Round 3, 2023: application deadline of April 11, 2023 for Fall 2023 start of the MBA program): students who have earned a 3.7 CGPA or above qualify for a GMAT/GRE waiver; that is, they do not need to submit any standardized test scores in order to apply to the Silver Scholars Program.

If you would like to speak with an admissions representative about the Program or the application process, please reach out to maria.derlipanska@yale.edu.

Yale Degree Audit

Yale Degree Audit is a web-based tool that calculates and displays how an individual student's courses may count toward the requirements for the bachelor's degree. The degree audit enables students to monitor their own progress toward the completion of degree requirements. It also helps students, and their advisers discuss course selection for current and future terms more meaningfully by clarifying what requirements the student still needs to complete. Currently, major requirements are not included in the audit. YDA is located on the Academics tab of Student Information System (SIS).

Unlike a transcript, your degree audit is an unofficial document provided for your information and convenience. The audit serves as a tool to provide you with helpful and timely information when you are planning your course schedule, discussing your schedule with your adviser, and reviewing your progress toward completing the requirements for the bachelor's degree. Your degree audit is **not** an official academic transcript. Currently, major requirements are not included in the audit.

Yale Degree Audit will help you:

- Determine what requirements you need to fulfill in order to complete your bachelor's degree
- View a list of all courses in which you have enrolled and the distributional designations each course carries
- View individual course grades and cumulative grade-point average (GPA)
- View transfer credits, waivers, and exemptions for which you have been approved
