THE ONGOING CORONAVIRUS SITUATION:

All units at CIPE are closely monitoring the ongoing coronavirus situation and we are hopeful the situation will improve significantly before the summer. However, we understand that many of you may have questions about your summer plans. Please read the following notes carefully:

1. We strongly encourage students to **continue with plans for summer abroad**. This includes fellowship and internship applications, language and other study.
2. **Prepare a back-up plan**. It's always a good idea to have a fully-developed Plan B, in a different country abroad or in the U.S. As you consider your backup plans, [Yale Summer Session](#) offers Yale credit in 5 weeks, online or in New Haven, and financial assistance is available.
3. **Monitor the Travel Policy** <https://cipe.yale.edu/travel-resources/travel-policy> and check on the status of your destination country.

Yale Degree Audit

Yale Degree Audit (YDA) is a tool that tracks your progress toward the bachelor's degree. YDA is located on the Academics tab of Student Information System (SIS). YDA displays the Yale College degree requirements that you have already completed and those that are still pending. A "Look Ahead" feature shows you how future course enrollment might apply toward your degree. Yale Degree Audit does not take the place of face-to-face advising, although you may wish to share your audit with your adviser. Instead, it provides an easy-to-read summary of requirements, allowing you and your adviser to spend more time discussing course selection and academic goals.

Do not rely solely on your degree audit when planning your courses; continue to use Yale's standard systems for schedule planning and employ YDA as an additional tool. More features will be added to YDA in the future, including the ability to track progress toward major requirements.

If you have suggestions, general observations, or questions that are not answered by the FAQs, send them to registrar@yale.edu using the subject line "Degree Audit." If you believe that academic information in your degree audit is incorrect, contact our office.

Summer Financial Assistance for Yale College Students

Yale Summer Session offers financial assistance for tuition to Yale College students who receive financial aid during the regular academic year. Financial assistance covers 50% of the tuition of one course, and you may receive financial assistance for a maximum of two credits each summer (a maximum award of \$4,350 for summer 2020). Students typically use this financial assistance for New Haven courses or for Yale Summer Online courses. However, students may also use this financial assistance for a Yale Summer Session Program abroad if they have already used their International Summer Award (ISA) in a previous summer.

Yale College students on financial aid during the academic year will automatically receive this assistance by answering the relevant question on the application. No separate application is required.

Students on financial aid during the academic year may also be eligible for Summer Pell Grants and for low interest loans to cover the remaining cost of YSS courses. You'll find more information at [Yale Financial Aid](#).
