Dear Franklinites,

I hope and trust you were able to unspool your thread over the break, and that you don’t wind it back as tight just because classes have resumed. In this week before the date of midterm (Oct. 28), you have an opportunity to take stock of your workload and responsibilities and have adjustments. If you’d like to discuss them, I have lots of drop-in hours. NO need to make an appointment:

**Dean’s Drop-ins**
Tuesday: 2-4pm  
Wednesday: 1-3pm  
Thursday: 9-11am

**A Late Walk**

*When I go up through the mowing field,*  
  *The headless aftermath,*  
*Smooth-laid like thatch with the heavy dew,*  
  *Half closes the garden path.*

*And when I come to the garden ground,*  
  *The whir of sober birds*  
*Up from the tangle of withered weeds*  
  *Is sadder than any words.*

*A tree beside the wall stands bare,*  
  *But a leaf that lingered brown,*  
*Disturbed, I doubt not, by my thought,*  
  *Comes softly rattling down.*

*I end not far from my going forth*  
  *By picking the faded blue*  
*Of the last remaining aster flower*  
  *To carry again to you.*

Convert a course to Cr/D/Fail

If you wish to convert a Yale College course offered in the first half of the term to Credit/D/Fail, take the following steps. Once you convert your grade mode to Credit/D/Fail it cannot be reversed.

1. Log into Yale Hub.
2. Select the Course Enrollment tab and click “Yale College Change Course from Letter Grade to Credit/D/Fail.”
3. Change the drop-down selection from “YC – Letter Grade” to “Credit/D/Fail.”
4. Click "Submit Changes" to save the conversion.
5. A confirmation of the change will be sent to your University email account. If you do not receive the confirmation email, your change was not processed. You can confirm all of your course grading modes by viewing your “Course Schedule Details by Term” in Yale Hub.

Note: Yale Hub will remain open to convert full-term Yale College courses to Credit/D/Fail until December 9. Attempts to convert courses offered in the first half of the term to Credit/D/Fail after 5 p.m. on October 14 will not be valid.

While some students may finish their degree(s) at the end of a fall term, their degree(s) is conferred the following May. For example, a student came in as class of 2024 and took a leave for one semester, so they will be finishing their degree in December of 2024 instead of May 2024. Yale Degree Audit

Yale Degree Audit is a web-based tool that calculates and displays how an individual student’s courses may count toward the requirements for the bachelor’s degree. The degree audit enables students to monitor their own progress toward the completion of degree requirements. It also helps students, and their advisers discuss course selection for current and future terms more meaningfully by clarifying what requirements the student still needs to complete. Currently, major requirements are not included in the audit. YDA is located on the Academics tab of Student Information System (SIS).

Unlike a transcript, your degree audit is an unofficial document provided for your information and convenience. The audit serves as a tool to provide you with helpful and timely information when you are planning your course schedule, discussing your schedule with your adviser, and reviewing your progress toward completing the requirements for the bachelor’s degree. Your degree audit is not an official academic transcript. Currently, major requirements are not included in the audit.

Yale Degree Audit will help you:

- Determine what requirements you need to fulfill in order to complete your bachelor’s degree
- View a list of all courses in which you have enrolled and the distributional designations each course carries
- View individual course grades and cumulative grade-point average (GPA)
- View transfer credits, waivers, and exemptions for which you have been approved

Yale School of Management - Silver Scholars Program

The Silver Scholars Program at the Yale School of Management allows students to earn a Yale MBA degree within three years, directly after graduation, spring-boarding them toward their career goals and leadership positions. The program is designed for exceptional students with strong leadership potential. These students enroll in our full-time MBA program where they make up about 5% of the student body. Rather than the traditional summer MBA internship, Silver Scholars complete a year-long internship, extending their experience to three years. All Yale College students receive a 50% tuition discount and an application fee waiver.

The admissions committee seeks applicants with a combination of intelligence, maturity, and curiosity who aim to be future leaders in their field of interest. Candidates from all majors are welcome to apply; we enjoy the diversity of interests and backgrounds that Silver Scholars bring to the broader MBA class at Yale SOM.

If you would like to speak with an admissions representative, please email maria.derlipanska@yale.edu to schedule an appointment.

Training will be provided by Big Brothers Big Sisters and transportation to and from the school will be provided by Dwight Hall.

The enrollment process for volunteers includes an application, a brief informational interview, and a zoom training. Apply now if you would like to join a deeply committed group of educators and help these students succeed! The program begins at the end of October.
