

Course Schedule Deadlines:

Class of 2023 TODAY, Monday, September 9, 5:00 pm – Dean Hill does not need to sign in advance

Class of 2022 Tuesday, September 10, 5:00 pm

Class of 2021 Tuesday, September 10, 5:00 pm

Class of 2020 Wednesday, September 11, 5:00 pm

Schedules are handed in to the **Dean's Office, Entryway A, main floor.**

The deadline is strictly enforced. A late schedule incurs a fine of \$50

A schedule of 3.0 course credits and a schedule of 6.0 or 6.5 course credits needs Dean Hill's permission before the schedule is handed in, and if you're *not* a senior there's a diminishing return on likelihood I'll approve the less lead time you give me.

Blue Forms. A schedule with a course in the Graduate School of Arts and Sciences or a professional school requires a blue form, which is available in the Dean's Office. Hand in the completed form with the syllabus attached **by the deadline for your course schedule.** [Note: SOM courses cannot be added to your schedule through OCS; they must be written by hand in the "include" section on your schedule.

Only four professional school credits can be offered toward the 36 credit requirement; however, students may enroll in more than four credits understanding that all courses will remain on the academic record and be included in the GPA even if not offered toward the 36 credit requirement.

Courses at the Graduate School of Arts and Sciences and at a professional school cannot elect the CR/D/Fail option.

Credit for these courses on your transcript: When you put a Graduate or Professional School course on your schedule, zero (0) course credits are recorded for the course until you hand it in to my office with the syllabus attached. The Registrar's Office then determines the course credits for that course. Some courses earn 1 course credit in Yale College and some earn 0.5 course credits (most commonly in SOM and EPH).

Independent Studies (Directed Reading, Directed Research, etc. as listed by most departments).

There are limits on the number that a student can enroll in during a given year and over four years. Enrolling in an independent study requires the additional permission of a Director of Undergraduate Studies.

Yale Degree Audit

Yale Degree Audit (YDA) is a tool that tracks your progress toward the bachelor's degree. YDA is located on the Academics tab of Student Information System (SIS). YDA displays the Yale College degree requirements that you have already completed and those that are still pending. A "Look Ahead" feature shows you how future course enrollment might apply toward your degree. Yale Degree Audit does not take the place of face-to-face advising, although you may wish to share your audit with your adviser. Instead, it provides an easy-to-read summary of requirements, allowing you and your adviser to spend more time discussing course selection and academic goals.

Do not rely solely on your degree audit when planning your courses; continue to use Yale's standard systems for schedule planning and employ YDA as an additional tool. More features will be added to YDA in the future, including the ability to track progress toward major requirements.

If you have suggestions, general observations, or questions that are not answered by the FAQs, send them to registrar@yale.edu using the subject line "Degree Audit." If you believe that academic information in your degree audit is incorrect, contact our office.

Help create the new student services hub

The University Registrar's Office invites you to join a project advisory committee and provide input on a newly designed hub for student services. By attending three design workshops on the evenings of 9/17, 9/18, 9/25, where dinner will be provided, you will receive a \$25 Amazon gift card and entry into a raffle for a chance to win a pair of Apple AirPods. You are also invited to attend a small number of advisory committee meetings throughout the academic year.
