

Franklinites,

New season, new format! Thanks to Michelle for her studious work re-making our image (our character remains unchanged). Let us know what you think.

We're a week away from fall break, so use your most precious commodity – time – wisely right now, knowing you will soon get a chance to decompress. This doesn't mean you should forego rest or diversion, but when you sit down to study or write try to devote your focus solely to the task for the block you've assigned yourself. One hour, maybe two in a sitting. Then take a walk, have an apple, send an encouraging text to a friend, and repeat. You'll get there.

*Fall is my favorite season in Los Angeles, watching the birds change color and fall from the trees.*

– David Letterman

**I would not have you descend into your own dream. I would have you be a conscious citizen of this terrible and beautiful world.**

## SPLASH AT YALE

Splash at Yale runs two programs each semester for middle and high school students. Our Fall Splash program will be on **Saturday, Nov. 11**. All of the classes are taught by Yale students and cover a range of topics from cooking to mathematics. Some of our previous classes include: The Geography of Happiness, The Lyrics of Bob Dylan, Love Poetry, Epigenetics, and An Introduction to Skepticism.

Splash is a great opportunity for students who are looking to get involved with teaching or just want to share their passion for a particular topic. We welcome all teachers — regardless of prior experience — and we are happy to work with you throughout the teaching process, from brainstorming ideas to making a lesson plan. Teaching for Splash is a small time commitment but has a huge impact on our students!

If you're not interested in teaching, we would love to have you as a day-of volunteer! Splash is a great way to be involved with the community as we serve students from New Haven as well as all over New England. We offer a variety of tasks with varying levels of engagement with students — volunteers can meet parents and students during sign-in or lunch, help keep our students safe while walking in between classes, or do homework while being a friendly face! (We have free food & swag!)

Teacher registration for Splash is open now **until Oct.15**. Registering a class is done through our website. Looking for some inspiration? Check out our last program's catalogue!

Have questions? Email us at [yalesplash@gmail.com](mailto:yalesplash@gmail.com).

Thank you so much and hope to see you in our programs!
