Dear Franklinites,

Glad you are back to turn what has felt like a rambling, deserted hotel into a college once again! And those off campus, I hope your pipes didn’t freeze while you were away!

I hope there was time enough (but not too much) with family, friends, in solitude, en masse, maybe in mass. Whether you came away from the fall semester with academic and personal spoils, or deficits, it is now time to put them down. Let go of what doesn’t serve you so you can start the term lighter, freer and more available.

And if you have no idea what extra baggage you’re carrying, try writing it down. As I prepare my writing course, I’ve got Didion on the brain:

“I write entirely to find out what I’m thinking, what I’m looking at, what I see and what it means. What I want and what I fear.”

-Joan Didion

Happy hunting,

-Dean Hill

DEAN'S DROP-IN HOURS
TUESDAY, JANUARY 15th & FRIDAY, JANUARY 18th
3:00 PM - 4:30 PM 10:00 AM – 12:00 PM
Academic Information

Academic Information Course Schedule Deadlines:
Class of 2022 Wednesday, January 23, 5:00 pm
Class of 2021 Thursday, January 24, 5:00 pm
Class of 2020 Thursday, January 24, 5:00 pm
Class of 2019 Friday, January 25, 5:00 pm

Schedules are handed in to Michelle in the BF Dean’s Office.

The deadline is strictly enforced. A late schedule incurs a fine of $50. (Clerical error on schedule is $50)

A schedule of 3.0 course credits or a schedule of 6.0 or 6.5 course credits needs Dean Hill’s permission before the schedule is handed in.

Overlapping Class Meeting Times: Requires a conversation with Dean Hill before the Course Enrollment deadline, compelling academic reasons for the overlap, and with Dean Hill’s assistance, a petition to the Committee on Honors and Academic Standing.

A schedule with a course in a professional school requires an additional form, which is available in the BF Dean’s Office. Hand in the completed form with the syllabus attached by the deadline for your course schedule. [Note: SOM courses cannot be added to your schedule through OCS; they must be written by hand in the “include” section on your schedule.

Only four professional school credits can be offered toward the 36 credit requirement; however, students may enroll in more than four credits understanding that all courses will remain on the academic record and be included in the GPA even if not offered toward the 36 credit requirement.

Courses at the Graduate School of Arts and Sciences and at a professional school cannot elect the CR/D/Fail option.

Credit for these courses on your transcript: When you put a Professional School course on your schedule, zero (0) course credits are recorded for the course until you hand in to my office the form for the courses (syllabus attached) and the Registrar’s Office determines the course credits for that course after that. Some courses earn 1 course credit in Yale College and some earn 0.5 course credits (most commonly in SOM and EPH). Some do not earn credit.

Independent Studies (Directed Reading, Directed Research, etc. as listed by most departments). There are limits on the number that a student can enroll in during a given year and over four years. Enrolling in an independent study requires the additional permission of a Director of Undergraduate Studies.
**FIRST-YEARS** First-Year Distributional Requirements: At the end of your first year (after two terms of enrollment) the student’s record must record enrollment in at least one course credit in two of the three skills categories (WR, QR, and foreign language). For a course with two distributional designations, only one or the other designation can be counted toward the distributional requirements; in other words, no double dipping. A course may, however, count toward both the requirements for a major and for a distributional requirement.

**SOPHOMORES** Sophomore Year Distributional Requirement: At the end of the sophomore year (after four terms of enrollment) the student’s record must record enrollment in at least one course credit in each disciplinary area (Hu, Sc, and So) and at least one course credit in each skills category (WR, QR, and foreign language). For a course with two distributional designations, only one or the other designation can be counted toward the distributional requirements; in other words, no double dipping. A course may, however, count toward both the requirements for a major and for a distributional requirement.

**JUNIORS** Junior Year Distributional Requirement: At the end of the junior year (after 6 terms of enrollment) a student’s record must show successful completion of all skills requirements: two course credits in QR, two course credits in WR, and foreign language). A course completed CR cannot count toward a distribution requirement. For a course with two distributional designations, only one or the other designation can be counted toward the distributional requirements; in other words, no double dipping. A course may, however, count toward both the requirements for a major and for a distributional requirement.

**SENIORS** Distributional Requirement for the degree: Successful completion of two course credits each in WR, QR, Hu, So, and Sc and completion of the foreign language requirement. A course completed CR cannot count toward a distribution requirement. For a course with two distributional designations, only one or the other designation can be counted toward the distributional requirements; in other words, no double dipping. A course may, however, count toward both the requirements for a major and for a distributional requirement. Senior Fall Term Completion: All students planning to complete degree requirements at the end of the fall term must file a petition by September 12th. See Special Arrangements.

First-Year Counselor Applications Open

First-year counselor application for the 2019-2020 year is now open. We will be accepting applications through January 31st at 11:59 p.m. EST. You can read more about the program and apply HERE.

Applicants must be seniors in good academic standing during both terms of the academic year 2018-2019, and plan to graduate in the spring of 2020. Counselors are expected to be responsible and mature students who can draw upon their own experiences and the training they receive to respond appropriately to the wide range of questions and issues that first-year college students encounter. Prospective applicants should therefore be able to demonstrate maturity, a commitment to serving others, strong interpersonal skills, and a solid academic record.

CPSC S115 "Introduction to Full-Stack Web Development"

Come learn about CPSC S115 "Introduction to Full-Stack Web Development," a new Yale Summer Session course created in collaboration with the Flatiron School. This course is based on the Flatiron School's flagship software engineering bootcamp that has already helped students around the world learn to code.

During 10 weeks on Yale's campus, students will take a deep dive into the intellectual enterprises of computer science and learn to think, and build, like software engineers. Best of all: Students don't need any prior computer science experience to take the course.

Program outcomes:
Earn 2 Yale College credits and QR
Learn Ruby and JavaScript--and apply your knowledge to other software languages Gain experience in front-end and back-end programming Discover how your unique perspective can contribute to a web development team Apply your knowledge in other courses, a job, or in graduate school.

Yale Alumni Association Reunion Head Clerk Position

Yale Alumni is recruiting students who will make great Reunion Head Clerks for Yale College Reunions this spring. They will be interviewing and hiring 16 Head Clerks to assist during the term, starting after Spring Break, and during reunion weekends May 23 – 26, 2019 & May 30 - June 2, 2019. The application (Job #1981) is open now on the yale.edu.seo website and will close at the end of the month.

Head Clerks process reunion registrations, assist with alumni outreach and later head up a team of their peers during the reunion weekends in May and June. The position requires a high degree of organization and responsibility, as well as significant contact with our staff and with alumni of all ages.
HUMS411: Life Worth Living Course Application

HUMS411: Life Worth Living

“What does it mean for a life to go well? What would it look like for a live to be lived well? In short, what shape would a life worth living take? We will explore these questions through engagement with the lives and visions of founding figures from six diverse traditions of imagining a good life: the Buddha, the Torah and the Hebrew prophetic and wisdom writers, Jesus of Nazareth, Muhammad, John Stuart Mill, and Friedrich Nietzsche. The course will also feature visits from contemporary individuals who understand their lives to be shaped by the traditions in question.”

If you have questions about the fellowship or application process, please email Andrew Forsyth, Assistant Secretary for Student Life, andrew.forsyth@yale.edu.

Yale Degree Audit

Yale Degree Audit (YDA) is a tool that tracks your progress toward the bachelor’s degree. YDA is located on the Academics tab of Student Information System (SIS). YDA displays the Yale College degree requirements that you have already completed and those that are still pending. A “Look Ahead” feature shows you how future course enrollment might apply toward your degree. Yale Degree Audit does not take the place of face-to-face advising, although you may wish to share your audit with your adviser. Instead, it provides an easy-to-read summary of requirements, allowing you and your adviser to spend more time discussing course selection and academic goals.

Do not rely solely on your degree audit when planning your courses; continue to use Yale’s standard systems for schedule planning and employ YDA as an additional tool. More features will be added to YDA in the future, including the ability to track progress toward major requirements.

If you have suggestions, general observations, or questions that are not answered by the FAQs, send them to registrar@yale.edu using the subject line “Degree Audit.” If you believe that academic information in your degree audit is incorrect, contact our office.
Yale University President’s Public Service Fellowship
